TAGLINE: ____ Augmented 3D Reality

Revenue = \$40 / TURN

RELEASE PRODUCTS.

Launch any new products (only if you've developed the required capabilities). If you have not, you may pay to rent capabilities for one turn.

COLLECT REVENUE.

Roll a die and collect revenue for each of your released products. Roll a 1 and you get no revenue for that product. Roll a 2 - 5 and you get 1x revenue. Roll a 6 and you get 2x revenue. If you're renting capabilities, pay to rent immediately before rolling the die for a product.

BUILD CAPABILITIES.

Spend money to advance capabilities. For any capability you can only advance one or two steps this turn.
